

FUSION CITIES 2 MEETING

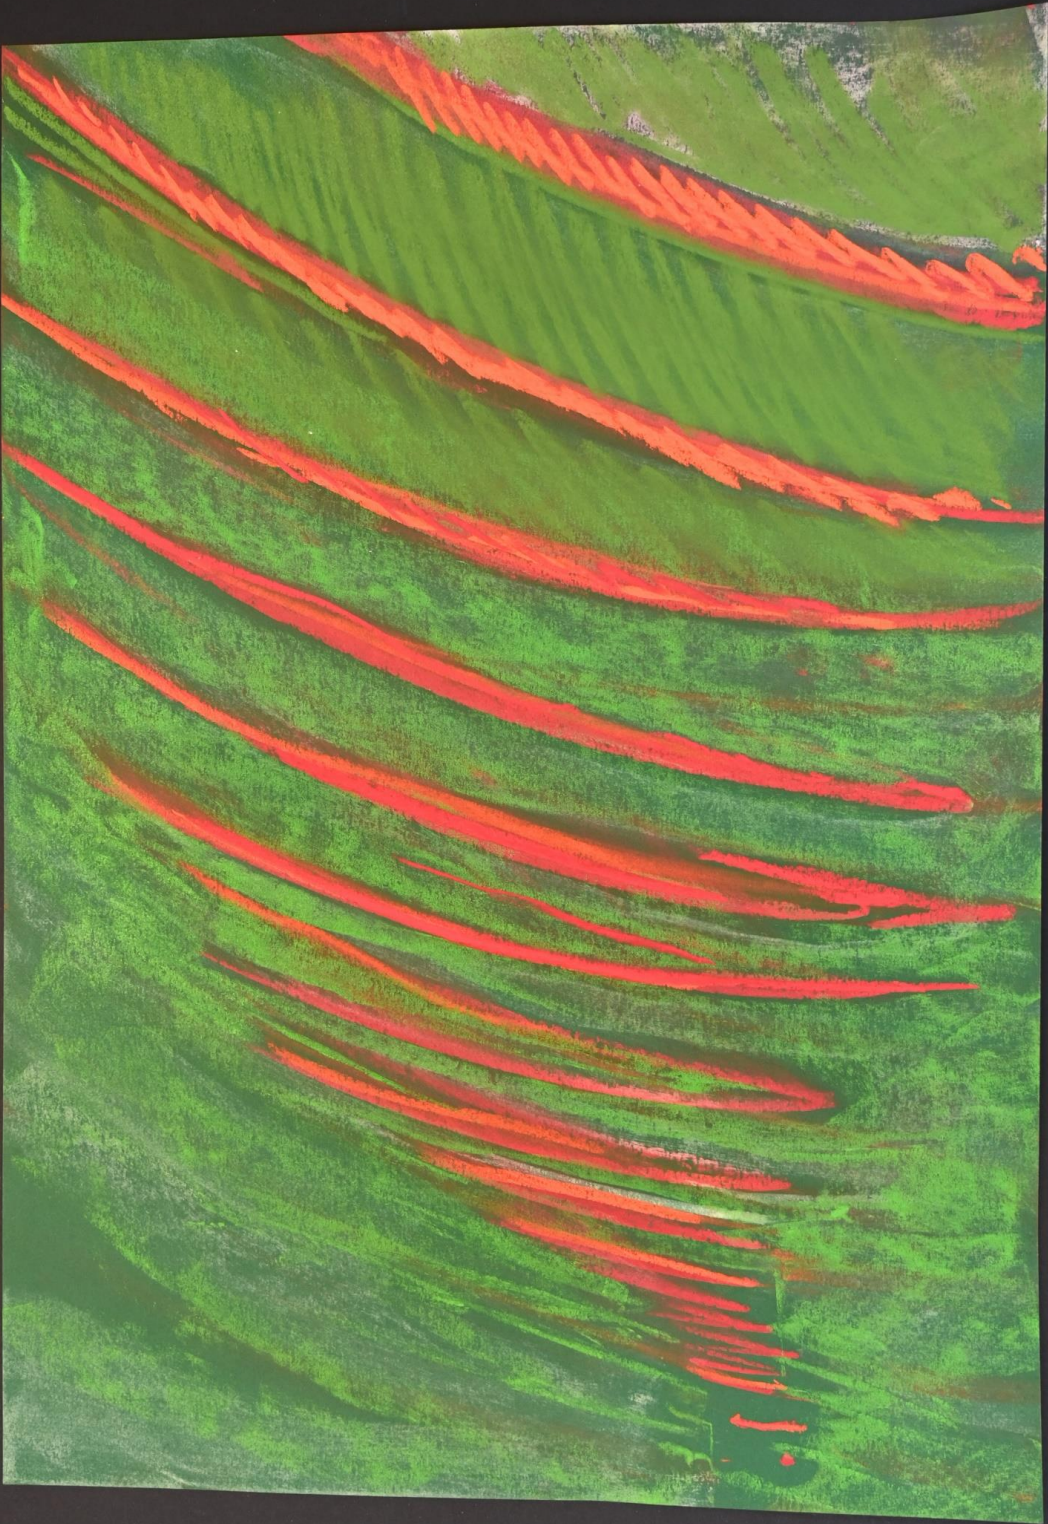

9 October 2020

DIGITAL PAINTINGS
CAPTURING THE
ESSENCE OF
DISCUSSIONS WHICH
TOOK PLACE AT THE
FUSION CITIES 2
MEETING BY ARTIST

RICHARD HEYS

An abstract artwork featuring a dark green background with several concentric, hand-drawn spirals. The most prominent spiral is in the center, rendered in golden-yellow and white, creating a tunnel-like effect. Other smaller spirals are visible in the upper left and lower right. The overall texture is grainy and expressive, suggesting a medium like chalk or pastel.
